

Dear Landowner/Resident;

Sundre Petroleum Operators Group (SPOG) is a collection of 20 industry members and 14 communities with a vision of a long term relationship based on mutual trust, honesty and respect, by way of sharing pertinent information and resolving issues to benefit all stakeholders.

Since 2000, SPOG has been conducting a landowner/resident visit program on behalf of SPOG member companies. The goal of the joint visit program is to minimize resident disruption when companies are fulfilling their Alberta Energy Regulator Emergency Response Plan requirements. The information collected by SPOG is for emergency response purposes only. We are committed to respecting the privacy of your personal information.

This package includes information regarding:

- ✦ Company specific information including descriptions of their facilities and maps of the area.
- ✦ Applicable emergency response procedures.
- ✦ Applicable emergency contact phone numbers.
- ✦ Hydrogen Sulphide (H₂S) and Sulphur Dioxide (SO₂) characteristics and effects.
- ✦ Shelter and evacuation instructions.
- ✦ Common definitions.

How we collect, use and disclose the personal information of our residents.

The following companies are participating in the 2018 program are Bonavista Energy Corporation, Exxon Mobil, Cenovus, Altagas Ltd., Harvest Operations Corp., Pembina, Paramount Resources, Sitka Explorations, NAL Resources, Shell Canada Limited, Plains Midstream Canada, TAQA North and TransCanada.

On behalf of them, SPOG would like to thank-you in advance for your time in reviewing this package and continuing to be a proactive stakeholder.

Please contact the office if you have any questions or your contact information changes. Once again thank you for your cooperation with this program.

Sincerely,

Tracey McCrimmon
